Subpart F—Other General Requirements

§ 91.500 HUD approval action.

(a) *General.* HUD will review the plan upon receipt. The plan will be deemed approved 45 days after HUD receives the plan, unless before that date HUD has notified the jurisdiction that the plan is disapproved.

(b) *Standard of review.* HUD may disapprove a plan or a portion of a plan if it is inconsistent with the purposes of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 12703), if it is substantially incomplete, or, in the case of certifications applicable to the CDBG program under §§ 91.225 (a) and (b) or 91.325 (a) and (b), if it is not satisfactory to the Secretary in accordance with §§ 570.304, 570.429(g), or 570.485(c) of this title, as applicable. The following are examples of consolidated plans that are substantially incomplete:

(1) A plan that was developed without the required citizen participation or the required consultation;

(2) A plan that fails to satisfy all the required elements in this part; and

(3) A plan for which a certification is rejected by HUD as inaccurate, after HUD has inspected the evidence and provided due notice and opportunity to the jurisdiction for comment.

(c) *Written notice of disapproval.* Within 15 days after HUD notifies a jurisdiction that it is disapproving its plan, it must inform the jurisdiction in writing of the reasons for disapproval and actions that the jurisdiction could take to meet the criteria for approval. Disapproval of a plan with respect to one program does not affect assistance distributed on the basis of a formula under other programs.

(d) *Revisions and resubmission.* The jurisdiction may revise or resubmit a plan within 45 days after the first notification of disapproval. HUD must respond to approve or disapprove the plan within 30 days of receiving the revisions or resubmission.

(2) To carry out an activity, using funds from any program covered by the consolidated plan (including program income), not previously described in the action plan; or

(3) To change the purpose, scope, location, or beneficiaries of an activity.

(b) *Criteria for substantial amendment.* The jurisdiction shall identify in its citizen participation plan the criteria it will use for determining what constitutes a substantial amendment. It is these substantial amendments that are subject to a citizen participation process, in accordance with the jurisdiction's citizen participation plan. (See §§ 91.105 and 91.115.)

§91.510

(c) *Submission to HUD.* (1) Upon completion, the jurisdiction must make the amendment public and must notify HUD that an amendment has been made. Letters transmitting copies of amendments must be signed by the official representative of the jurisdiction authorized to take such action.

(2) See subpart B of this part for the public notice procedures applicable to substantial amendments. For any amendment affecting the HOPWA program that would involve acquisition, rehabilitation, conversion, lease, repair or construction of properties to provide housing, an environmental review of the revised proposed use of funds must be completed by HUD in accordance with 24 CFR 574.510.

(a) *Applicability.* For competitive programs, a certification of consistency of the application with the approved consolidated plan for the jurisdiction may be required, whether the applicant is the jurisdiction or another applicant.

(b) *Certifying authority.* (1) The certification must be obtained from the unit of general local government if the project will be located in a unit of general local government that: is required to have a consolidated plan, is authorized to use an abbreviated consolidated plan but elects to prepare and has submitted a full consolidated plan, or is authorized to use an abbreviated consolidated plan and is applying for the same program as the applicant pursuant to the same Notice of Funding Availability (and therefore has or will have an abbreviated consolidated plan for the fiscal year for that program).

(2) If the project will not be located in a unit of general local government, the certification may be obtained from the State or, if the project will be located in a unit of general local government authorized to use an abbreviated consolidated plan, from the unit of general local government if it is willing to prepare such a plan.

(c) *Meaning.* A jurisdiction's certification that an application is consistent with its consolidated plan means the jurisdiction's plan shows need, the proposed activities are consistent with the jurisdiction's strategic plan, and the location of the proposed activities is consistent with the geographic areas specified in the plan. The jurisdiction shall provide the reasons for the denial when it fails to provide a certification of consistency.
